Processing time - Processing times vary by form type.

- Visit www.uscis.gov/processingtimes to see the current processing times by form type and field office or service center.
- If you do not receive an initial decision or update within our current processing time, you can try our online tools available at www.uscis.gov/tools or ask about your case online at www.uscis.gov/e-request.
- When we make a decision on your case or if we need something from you, we will notify you by mail and update our systems.

Biometrics - We require biometrics (fingerprints, a photo, and a signature) for some types of cases. If we need biometrics from you, we will send you a SEPARATE appointment notice with a specific date, time and place for you to go to a USCIS Application Support Center (ASC) for biometrics processing. You must wait for that separate appointment notice and take it (NOT this receipt notice) to your ASC appointment along with your photo identification.

Acceptable kinds of photo identification are:

- A passport or national photo ID issued by your country,
- A driver's license,
- A military photo ID, or
- A state-issued photo ID card.

If you receive more than one ASC appointment notice (even for different cases), take them both to the first appointment date.

If your address changes - If you move while your case is pending, please visit www.uscis.gov/addresschange for information on how to update your address. Remember to update your address for all your receipt numbers.

Return of Original Documents - Use Form G-884, Request for the Return of Original Documents, to request the return of original documents submitted to establish eligibility for an immigration or citizenship benefit. You only need to submit one Form G-884 if you are requesting multiple documents contained in a single USCIS file. However, if the requested documentation is in more than one USCIS file, you must submit a separate request for each file. (For example: If you wish to obtain your mother's birth certificate and your parents' marriage certificate, both of which are in the USCIS file that pertains to her, submit one Form G-884 with your mother's information.)

NOTICE: Under the INA, the information you provide on and in support of applications and petitions is submitted under the penalty of perjury. USCIS and the U.S. Department of Homeland Security reserve the right to verify this information before and/or after making a decision on your case so we can ensure that you have complied with applicable laws, rules, regulations, and other legal authorities. We may review public information and records, contact others by mail, the internet or phone, conduct site inspections of businesses and residences, or use other methods of verification. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.
